

Velammal College of Engineering and Technology, Madurai – 625 009.
(Autonomous)
Department of Chemistry
Eco-Club

About Eco Club

The Department of Chemistry is deeply committed to integrating environmental consciousness into our academic mission. Through our dynamic Eco Club, we actively champion the cause of sustainability and environmental responsibility. The club serves as a vital platform, regularly organizing seminars, workshops, and awareness campaigns that educate our student community on pressing ecological issues. By bridging the principles of chemical science with real-world environmental challenges, we empower our students to become not just exceptional engineers, but also informed and proactive custodians of our planet. These initiatives are a core part of our dedication to nurturing responsible global citizens.

Events Organized

Academic Year 2023-2024

Name of the In-charge with Designation: Mrs. S. Lavanya, AP-I/Chemistry

S. No.	Name of the Event	Resource Person/Chief Guest	No. of Participants	Date
