Summary Report of "One Day Workshop on UI Development – React JS"

24th March, 2023

We are pleased to inform you that the program titled "One Day Workshop on UI Development – React JS" on 24.03.2023 for II Year IT students has been a grand success. By attending this type of program, students are highly motivated to learn more about React JS framework which in turn helps them to build interactive user interfaces and web applications quickly and efficiently.

Resource Person Mr. S. K. Sanjay Raj, Managing Director, Reccsar Pvt. Ltd., Madurai explained the importance of React JS, comparison between PHP with React JS and how to write a code using React JS. This program is scheduled from 09:00am to 04:00pm on 24.03.2023. Students actively participated in this program and many clarified their doubts in between the session.

Summary Report of "Challenges faced to become an Entrepreneur"

15th March, 2023

An entrepreneurship initiative program **"Challenges faced to become an Entrepreneur"** for final year IT students on February 15, 2023, motivated the students to start a company. The Resource Person shared about the issues faced before opening the company and failures encountered while running the company. He discussed the opportunities offered from the Central Government and State Government Sectors. He suggested a mobile application "WYOLO" to generate funds by posting ideas in the community. Many students clarified their doubts in between the session.

Summary Report of "Programming Contest – CodeJam'23"

17th February, 2023

It is our pleasure to inform you that the **Programming contest-CodeJam'23** for first year IT students on February 15, 2023, was a great success. This type of program helps students to learn more about programming and showcase their programming skill, which in turn helps them in the placement process.

This is one of the first semester **courses in which** students learn Python **programming**. This program is scheduled for one day, consisting of two rounds. In the first round, 91 students participated and the time was from 11:00 am to 12:40 pm. 20 students out of 91 were shortlisted for the second round, and the schedule was from 2:30 pm to 3:10 pm. The students actively participated in this program and winners are awarded with cash prize.

"IDEA COMPETITION " HELD BY CODING CLUB

31st October 2022

Summary

Idea Competition was organized by our IT department on 31st October 2022 for II Year students. A total of 95 students actively participated. Students gained knowledge and experience on how to develop an idea into projects/products. This Program has provided and insights to all the students on how initiate ideas into products/service for progress and market them to make them more valuable. They were given three happening problem statements to be considered while they build ideas for an innovative solution.

1. Our cities (metros) across the globe are congested with traffic and people on average spend 3-6 hours of their day commuting, this amounts to a total of a whopping 1095-2190 hours every year. With the help of tech, solve the problem and help people reduce their commute time. THEME CITY TRAFFIC

2. These are basic human needs and yet in our cities, we encounter frequent power cuts and serious water shortages. Build an idea that can solve this problem through new technologies while ensuring sustainability. THEME WATER AND ELECTRICITY PROBLEMS

3. We recently witnessed a global pandemic, this was caused even after so much advancement. How can we prepare ourselves better for a public health crisis? With the help of technology, how can we ensure the good health of people and their well-being. There is also an increase in the crime rate. Create a solution that is a more safe and secure infrastructure for people and which can solve issues in the health sector. THEME PUBLIC HEALTH AND SAFETY

Circular

"The secret of success is to be ready when your opportunity comes." – Benjamin Disraeli

National Education Day is celebrated every year on 11th of November to commemorate the birth anniversary of **Maulana Abul Kalam Azad**, the **first Education Minister of independent India** who served from 15 August 1947 to 2 February 1958. Hence, our College Quiz Club has planned to organize an interdepartmental Quiz competition on **02.11.2022** (Wednesday) at 2 p.m. in Seminar Hall III (third floor). Interested second and third year students of B.E. / B. Tech. are requested to register their names as team (two students per team) using the Google Form link https://forms.gle/XniWHhswjFX2s1qc7 on or before 01.11.2022. Any number of teams can participate from each section. A qualifying round of written test will be conducted on 02.11.2022 at 9.30 a.m. in Seminar Hall III.

"If somebody offers you an amazing
OPPORTUNITY
but you are not sure you can do it,
SAY YES,
then learn how to do it later"

Our College Quiz Club has planned to organize an interdepartmental Quiz competition (Explore '22) on **19.05.2022** (Thursday) at 2pm in hall number T17 (Third Floor). Interested students of B.E / B.Tech. (From first year to final year) are asked to enroll their names as team (two students per team) with Mrs. R. N. Gnanammal (Assistant Professor/English) on or before 30.04.2022. Any number of teams can participate from each section. A qualifying round of written test will be conducted on **05.05.2022** (Thursday) at 11.50 am in hall number T17.
