Respected Sir,

Sub : **Request for permission to initiate German Language Classes – reg.**

Warm Greetings!

As per the suggestion given by the General Body members to impart German Language through Government recognized agency, Velammal Institute of English and Foreign Languages (VIEFL) is proposing to impart German Language training through Goethe Institute, Maxmuller Bhavan, Chennai. As the head of the department, I am requesting the permission to initiate the course from February 2024. We have collected students' name list. I have motivated the faculty members also to learn, so that we will have certified trainers in our own institution in future. I have enclosed the details received from 'Goethe' for your reference. Kindly grant permission for the proposal sir.

Thank You.

With Regards,

(Dr. S. Gomathy)

Advantages:

1. Students can have higher package as starting salary – especially students from Mechanical, CSE and IT.
2. When they go for higher studies to Germany fee concession from Government recognized Universities and Colleges is available
3. As faculty members are learning, we will have in house trainers in future.
4. If nursing students are learning, more opportunities are there for nurses in Germany.
5. By signing a MOU VCET will become more eminent with additional features.
